FIRST IMPRESSIONS

Long Life Lettering has over 3 decades of knowledge to enhance your product's promotion points. Whether you require self-adhesive decals, free standing cutout correx displays, wobblers, mounted or hanging posters, magnetic decals, we will meet your needs.

We have the latest technology at our finger tips, we are big enough to comfortably deal with national campaigns and affordable enough to do even the smallest promotions. At Long Life Lettering, screenprinting, digital printing, computer cut graphics and finishing is all under one roof which offers you a hassle-free, one-stop solution to your every promotional needs.

SIGNS OF SUCCESS

Any business is judged by the sign it displays, "no sign, is a sign of no business". Long Life lettering has over 3 decades of sign making experience, from you average window sign to aluminium cut-out letters, perspex fabricated signage, illuminated signage, indoor or outdoor, we will sign your business to success.

Our teams are fully equipped & ready to supply you with expert advice from design, to choosing of materials, to installation of your signage.

EXHIBITION STANDS

Exhibition stands are a key marketing strategy used by major to medium & small businesses around the world. Long Life Lettering has been on the forefront of the exhibition stand market, with a strong list of successful stands manufactured such as: Pick n Pay, Good Food & Wine Show, JC Le Roux & Hansgrohe, amongst a few.

We manufacture and supply all the elements required to build the perfect exhibition stand whether it be indoor or outdoor, on land or sea, we will design it, print it, mount it, stick it, build it, everything short of hosting it.

With a host of materials at our disposal & combined with the latest technology, we are able to produce a stand that is one of a kind.
